

St Antony's Priory

Prayer | Study | Community

Are you wondering what comes next? Have you ever wanted to immerse yourself in the spiritual life? If so, the residential community at St Antony's Priory could be for you.

In a hugely exciting new development, we have now established a small residential praying community, living on site at St Antony's.

This is an opportunity, open to both men and women, at any stage of life, who may be wondering where God might be calling them next, and for whom the experience of spending a year immersed in the discipline and structure

of a religious community, sharing a common life of work and prayer, could be powerfully transformative.

There is room for up to six people at any one time, following a fairly traditional monastic routine of prayer and work, which includes sustaining the worshipping life of the chapel and supporting the ministry of the Priory.

If you, or anyone you know, might be interested in finding out more about this exciting new development, please do get in touch by emailing: nicholas.buxton@stantonyspriory.org
